Headteacher's Newsletter
Autumn Term Issue 5
4th November 2016

Dear parents, carers and members of our school community,

Thank you to everybody who donated Shoeboxes full of items for children in less advantaged countries for the Rotary Shoebox appeal. These have now been collected by the Rotary Club and will be checked and on their way shortly.

This week we had a special performance poetry assembly in which each class performed a poem about either Diwali or Bonfire Night. Today all the children were given a special lesson on keeping healthy in the Life Bus which you will have seen on our playground.

Kenneth Davies
Headteacher

CONKER COMPETITION

Mark Barden will be hosting our annual competition this coming Monday 7th November. If your child wishes to enter they will need to bring a conker on a string. This year the Junior Leadership Team will be collecting a 50p entry fee and all proceeds will be donated to BBC Children in Need. We do have a few spare conkers should you need them.

JUNIOR LEADERSHIP TEAM NEWS

On Friday 18th November the Junior Leadership Team will be collecting small change to donate to BBC Children in Need.

We will be selling Royal British Legion poppy products at break times all next week. The items, such as wrist bands, have set prices that range start from £1 upwards. Please ensure that you bring in your money in a small envelope of coin bag with your name on it and hand it to your class teacher at registration.

We also have the standard poppies which can be purchased for a small donation. These will be on sale to the children at break time and for parents before and after school in the office.

PARENTS EVENING

Our Autumn term parent consultation evenings will be on the 16th and 17th November. Please ensure you send in your preferred time and day by Wednesday 9th November. We always try our best to give you your chosen time or one as near as possible.

Prior to the meetings we will be sending out your child's termly report card on Tuesday 15th. This is a snapshot of how they are progressing at school and will be discussed at the meeting.

At the meeting on Wednesday 16th a representative from Brighton Hill Community School and some of our ex-pupils who now attend BHCS, will be there to answer any questions about their school and to

meet any parents who may wish to do so. The new Headteacher at Brighton Hill, Chris Edwards, is keen to forge positive relationships with local primary schools and has a very strategic and positive outlook for the future of our local secondary school.

PARKING

Please can I ask that when parking for collection and drop off that consideration is shown to other users. If you wish to stay and socialise in the playground after school please ensure you are not blocking anyone in who may wish to leave sooner. This mainly applies to those who park at The Drove end of the car park. Please also note that the minibuses have priority and need to turn around and parking on the zig-zag lines is not permitted.

Thank you for your co-operation.

SAFEGUARDING

If you are celebrating bonfire night this weekend have a good time but remember to stay safe. Here is the ROSPA guide to firework safety for families.
